I know Lynell will be following up but just a few comments:

- as per Steve's comment last week, it is important that we do not do any Party Zone announcements when there is a live radio broadcast

- blinky buttons are coming as quickly as we can get them approved

- as you all know, it is PM policy that we do not distribute caps and t-shirts, even if they are unbranded.

Finally, lets talk about the benefits/drawbacks of giving incentive items to club staff at next Tuesday's meeting.

Otherwise, all looks good!! Thanks guys.

Michelle
